What do I regret, if anything? Why?

When do I feel most like me? Why?

What do I enjoy doing most, and how often do I do it?

What would I stop doing if I gave myself permission to? Why?

What are my difficult emotional triggers? When do they happen? What could I do to help manage them?

What gives me energy or joy?

What am I afraid of? And what do I do, or could I do, to overcome those fears?

When I think about other people, what do I struggle most to understand? Why?

What are my life goals? What am I currently doing to help myself achieve them?

What is my inner voice saying most often? Is this helpful or unhelpful? Why?

What are important ways I am similar to and different from the people around me?

How would I like to describe myself?
